Note: Agencies with the symbol ♦♦♦ against their country of operation also operate elsewhere, or are considering doing so. WFME is reviewing all extra-territorial activities of accrediting agencies and the next edition of this list will include complete information on all accrediting agencies that are recognised by WFME for operation outside their home country or region. For more information please see the WFME Statement on cross-border accreditation.

Agencies currently applying for recognition

Each agency is currently applying for recognition only in the country or countries listed. It cannot be assumed that the agency will in future be awarded WFME Recognition Status in any other country.
